

Transferring to adult care

**Somerville
Heart
Foundation**

The **Somerville Heart Foundation** provides accurate, timely information and advice for all congenital heart patients and enables them to share and learn from experiences and support each other.

There are a number of different leaflets available providing information and support about the issues you might face. These can be found by going to their website or by scanning the QR code provided.

You can also get quarterly updates by subscribing to their Newsletter:
