

# Preferred Priorities for Care

### **Will my preferences and priorities be met?**

What you have written in your PPC will always be taken into account when planning your care. However, sometimes things can change unexpectedly (like carers becoming over-tired or ill), or resources may not be available to meet a particular need.

### **What should I include in my PPC?**

You should include anything that is important to you or that you are worried about. It is a good idea to think about your beliefs and values, what you would and would not like, and where you would like to be cared for at the end of your life.

### **People who should be asked about your care if you are not able to make a decision for yourself**

You may have formally appointed somebody to make decisions on your behalf, using a Lasting Power of Attorney, in case you ever become unable to make a decision for yourself. If you have registered a Lasting Power of Attorney please provide their contact details below.
