

2023

Children's Cardiac Nursing 1: Foundation January and October 2023 Courses

Overview:

Aimed at nurses working within the cardiac speciality with minimal knowledge of cardiac defects, and more experienced nurses working within other areas that also provide care for cardiac patients. This course focusses on cardiac anatomy and physiology of both the normal heart and the more common congenital cardiac lesions.

It will enhance understanding of care and interventions for this group of patients to promote safe and effective nursing practice.

Assessment:

Compulsory assessment - In-class multiple choice questionnaire (MCQ) and small group-work to produce a poster/teaching board on a topic of the candidates' choice, related to the nursing care of a child with a cardiac problem.

Optional assessment - course designed so that students can obtain credits through their chosen university via an APEL route (additional cost to student).

Dates:

January 25, 31, February 2, 9, 23, March 7.

Or October 18, 25, November 9, 14, 22, December 7.

Cost of Course:

£690

Bookings & Queries:

Please contact FacultyOfChildrensNurseEducation@uhbw.nhs.uk.

Children's Cardiac Nursing 1: Foundation January and September 2024 Courses

Overview:

Aimed at nurses working within cardiac services who are new to this speciality, and more experienced nurses working within other areas that provide care for cardiac patients but not as a speciality. This course focusses on cardiac anatomy and physiology of both the normal heart and the more common congenital cardiac lesions.

Assessment:

In-class multiple choice questionnaire (MCQ) and small group-work to produce a poster/teaching board on a topic of the candidates' choice, related to the nursing care of a child with a cardiac problem. Optional assessment - course designed so that students can obtain credits through their chosen university via an APEL route (Additional cost to student).

Requirements:

Commitment to attend all study days and complete self-directed study. 80% attendance is required for module completion. Attendance of Day 1 is mandatory.

Dates:

January 24, February 8, 22, 29, March 1, 14, 28 (Thursdays)
Or September 25, October 2, 9, 16, 23, November 6, 13 (Wednesdays)

Cost of Course:

£690
