

# CHAMPION

Congenital Heart disease And pulmonary arterial hypertension:  
Improving Outcomes through education and research Networks

**Tuesday 7<sup>th</sup> February 2022**  
09:30 – 16:40 GMT

**Edgbaston Park Hotel and Conference Centre, Birmingham, B15 2RS and Online**

## CHAMPION 2023 PAH-CHD: Management and support throughout life's journey

**To register for this meeting please follow this [link](#).**

This meeting is free to attend. However, registration is required.

**This meeting has been certified by CPD UK**

### Meeting Info:

This meeting is an interactive, hybrid, learning experience to discuss key aspects of the life-long care of a patient with Congenital Heart Disease (CHD) and the challenges of transition from paediatric to adult services. This meeting is aimed at both paediatric and adult cardiologists including trainees, consultants, and clinical nurse specialists from both the ACHD and PH teams.
