

Clinical Standard Operating Procedure (SOP)

# TRANSFER OF ECHOCARDIOGRAPHY DATA TO OTHER HOSPITALS

<b>SETTING</b>	Paediatric Cardiology Department
<b>FOR STAFF</b>	All Cardiac Physiologists, Cardiology Registrars and Cardiac Consultants
<b>PATIENTS</b>	All patients requiring data to be sent to outside of hospital

---

## STANDARD OPERATING PROCEDURE

If you need Echocardiography imaging data transferred from Philips IntelliSpace (ISCV) to another hospital please contact: [PACSSupport@UH Bristol.nhs.uk](mailto:PACSSupport@UH Bristol.nhs.uk) directly.

They are able to move images from UPACS to PACS and then transfer it out to the desirable hospital.

You need to provide them with:

- Patient name
- T number
- NHS number
- Date of study
- Centre where data needs to be transferred to
- Name of Doctor receiving data

---

<b>RELATED DOCUMENTS</b>	None.
--------------------------	-------

<b>SAFETY</b>	Please make sure you are sending only the requested data and that all patient and centre details are correct.
---------------	---

<b>QUERIES</b>	Owen Burgess, Departmental Head Cardiac Physiologist, x28181 Nuno Duarte, Senior Cardiac Physiologist
