

# Calling All Psychologists!

---

## Autumn 2021 Skills Training Sessions Online

The sessions will be hosted by:

Rachel Herrick (Clinical Psychologist, Hywel Dda), Vanessa Cook (Clinical Psychologist, North Devon) and Vanessa Garratt (Consultant Lead Psychologist, Bristol)

### Providing cardiac psychology in all of our pathways

**Date:** Wednesday 22<sup>nd</sup> September 2021

**Time:** 1:00pm until 2.30pm

**Purpose:** In this session you will hear from adult and paediatric psychologists who deliver care to young people, children and adults with cardiac conditions locally and in acute hospitals. Finding out about:

- how they work
- how teams refer
- what support they offer.

It is an opportunity to learn from each other and to gain support if you are developing your service.

There will be time to think together about how we can communicate and support all services, as patients will be part of different pathways.

**Please register on Eventbrite before 13<sup>th</sup> September:**

### Developing a business case

**Date:** Tuesday 23<sup>rd</sup> November 2021

**Time:** 2:00pm – 3:00pm

**Purpose:** In this session you will hear from a divisional manager who will be providing advice, support and information about the process of developing a business case, how commissioning works in the region and tips around writing business cases.

We welcome any questions before for the session and there will be time in the session to talk about challenges and questions you may have.

**Please register on Eventbrite before 15<sup>th</sup> November:**
