# Virtual Psychology Network Day

## 2<sup>nd</sup> February 2021

The Cardiac Lifespan Psychology Service team  
invite you to a CPD virtual event themed around  
how we work therapeutically in this new virtual world

During the day there will be excellent opportunities to:

- ♥ Hear how cardiac psychology services have adapted and changed during Covid-19
- ♥ Hear about case studies and discuss how therapeutic models can be adapted for use in the virtual world
- ♥ Discuss new ways of working that include using webinars and patient's cafes to offer virtual peer support.
- ♥ Discuss how psychology services can work together virtually across the network

Register at: <https://www.eventbrite.co.uk/e/network-psychology-event-registration-127323141945>

Registration closing date: 12<sup>th</sup> January 2021
