

June 2020

Dear CHD/ACHD link nurses,

June lesion of the month: Patent Foramen Ovale.

You will find useful information in the following links:

<http://www.pted.org/?id=pfo1>

<https://www.heart.org/en/health-topics/congenital-heart-defects/about-congenital-heart-defects/patent-foramen-ovale-pfo>

Here is an animation to show PFO closure:

The spring 2020 ACHD newsletter is now available at: [online newsletter](#) Please share amongst your teams

The BACCNA Education Group has been working on a survey aimed at nurses and AHP's across our network to look at the educational needs within our centres. We would like as many people to fill it in as possible. It takes no more than 4 minutes to complete and the closing date is Monday 6th July

As always, if you need any further information or would like to discuss further with one of the CNSs please do not hesitate to contact us anytime. We are happy to help J

Take care and best wishes
