

September 2020

Dear CHD/ACHD link nurses,

September lesion of the month: Atrioventricular Septal Defect

You can find useful information in the following links:

Complete AVSD-<http://www.pted.org/?id=atrioventricularcomplete1>

Partial AVSD-<http://www.pted.org/?id=atrioventricularpartial1>

Please see below link for a video clip explaining AVSD in more detail;

<http://www.chfed.org.uk/how-we-help/information-service/heart-conditions/atrioventricular-septal-defect-avsd/>

Please also take a look at our new presentation about patients with learning disabilities and CHD- please share within your teams

As always, if you need any further information or would like to discuss further with one of the CNSs please do not hesitate to contact us anytime. We are happy to help J

Take care and best wishes
