

Dear CHD/ACHD link nurses,

Please find attached some resources for your lesion of the month board: **Ventricular Septal Defect**.

You can also find useful information here:

<http://www.chd-uk.co.uk/types-of-chd-and-operations/ventral-septal-defect-vsd/>

<http://www.pted.org/?id=ventricularseptal1>

Please check the CHD Network website for further resources www.swschd.co.uk, there are lots of useful resources under the training and education section.

As always, if you need any further information or would like to discuss this further with one of the CNSs please do not hesitate to contact us anytime. We are happy to help 😊
